PARTNERSHIP

ANGUS BULL SALE
50: 18-MONTH OLD BULLS
50: SMARTBULLS

October 3, 2026

Rancher's Choice Stockyard

4400 HWY 101

Aromas CA 95004

12:30 PM PST

Thank You!

Jorgensen Land & Cattle
PARTNERSHIP

Thank you for joining Jorgensen Land & Cattle at Rancher's Choice Stockyard in Aromas, CA on October 3, 2026 at 12:30 PM PT. We first began selling SmartBulls® nearly 20 years ago and their popularity among cattlemen continues to grow because they have the capacity and age to breed your cows without excess pampering. In addition, cattlemen can breed more cows with fewer bulls than if they use younger bulls.

These bulls are backed by 60+ years of breeding and selection in Ideal, SD, built by a cow herd developed to produce bulls that build productive, durable cows that work in real-world environments.

All of the bulls in this sale will have a suite of EPDs generated by the Ideal Beef Evaluation (IBE). This increases the genetic predictive power of our SmartBulls® and AgBoost® helps us communicate that data visually to cattlemen. All EPDs for these bulls are Ideal Beef Evaluation EPDs.

We want to express a big "Thank you" to our customers, family, and friends for their continued support and belief in our Jorgensen Land & Cattle breeding program. We appreciate each of you!

Thank you for your interest in our program.

The Jorgensen Family

Power Your Herd with:

IDEAL BEEF GENETICS

IBG[®]

IBG[®] uses 3 Custom Indices from the Ideal Beef Evaluation to help simplify genetic decisions. These Indices are on a 1-10 Scale

JI-H: Index for selecting Heifer Bulls

JI-M: Index for selecting cows/bulls with optimal maternal and performance traits

JI-T: Index for selecting cows/bulls with optimal feedlot/carcass traits for those herds that don't keep replacement heifers

GEPDs Include

- | | |
|------------------------------|-------------------------------|
| • Birth Weight (BW) | • Dry Matter Intake (DMI) |
| • Weaning Weight (WW) | • Feed Conversion Ratio (FCR) |
| • Yearling Weight (YW) | • Average Daily Gain (ADG) |
| • Docility (DOC) | • Intramuscular Fat (IMF) |
| • Milk (MILK) | • Ribeye Area (REA) |
| • Fertility (FERT) | • Fat Thickness (RIB) |
| • Scrotal Circumference (SC) | • Tenderness (TEND) |

A PATH FOR EVERY OPERATION

One source, uncompromising quality...from a single straw to a full breeding season. There are many ways to put Jorgensen genetics to work in your herd. Each one traces back to the Motherlode.

SMARTBULLS®

Breed more cows with fewer bulls.

BULL LEASING

We carry the risk. You focus on your cattle.

SEMEN

Geography is no barrier to our genetics.

EMBRYOS

The way to access the Motherlode genetics.
